Dear Pedro's Coffee Friends,

As the effects of COVID19 continue to evolve, Pedro's Coffee remains firmly committed to serve you, and ensure continuous access to our services and products.

We recognize the need for coffee, most notably now with the working environment being moved to homes. For your convenience and safety, Pedro's Coffee guarantees fresh artisanal coffee, anytime, anywhere, delivered straight to your doorstep.

Please be assured that for your safety and that of our staff, increased and strict hygiene measures have been implemented and maintained.

As we all work together to stay safe from COVID19, we encourage you to continue following the guidelines set forth by the government, which include: staying at home and practicing social distancing, washing hands, covering the mouth when coughing, and avoiding touching the nose, mouth or eyes.

We extend our sincere thanks for your continued support and loyalty in our team.

Thank you,
